Power Hit READY!
Tobias

Hey everyone! Tobias is gonna do a power hit in Mortal Wombat!!

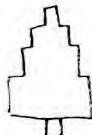

C'mon! C'mon power hit!
Knock him for a sit!
Hit his head off!

SCORE: 1340
LIVES: 9

Watch out for that giant pixelated dog!!

C'mon Tobias, it's time to go home, your delish TV dinner is almost ready.)

I want to stay here with Benny, and play 'Boris goes Skiing'.

No, I'm sorry but...

WAAAAAA! I WANNA PLAY BORIS!!

That's OK, Tobias. You can borrow it!

Thanks for that, Benny, I don't know what to do when he throws tantrums!

ON THE WAY HOME...

A few days later...

Just jump in the back guys!

Is there any room in the van for me, Tobias?

I don't think so. Besides, I don't think the van's suspension could cope with your weight. But, I've got an alternative idea!

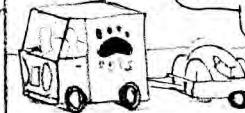

Woody, what's your favourite dessert crumble?

Shut up! I've got to concentrate...

LATER...

Are you comfortable in the trailer Big Kev?

You bet! There's nothing more Aussie than getting a ride in someone's trailer, and there's nothing more Aussie than Big Kev Cleaning Products™!

SNOWED AREA 3km

...This is a difficult road to drive on, and we don't want to fall off that cliff.

SNAP

AGH!

TOLL?? I'm not paying no toll!

You have to pay your toll.

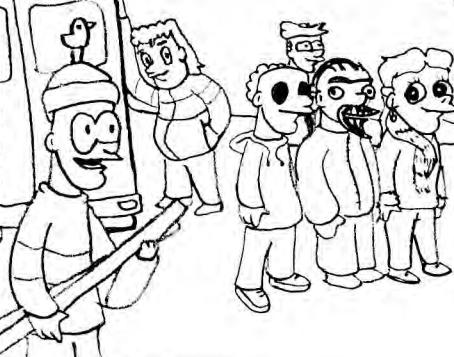

TOLL FOR
Snowed
Area
\$5

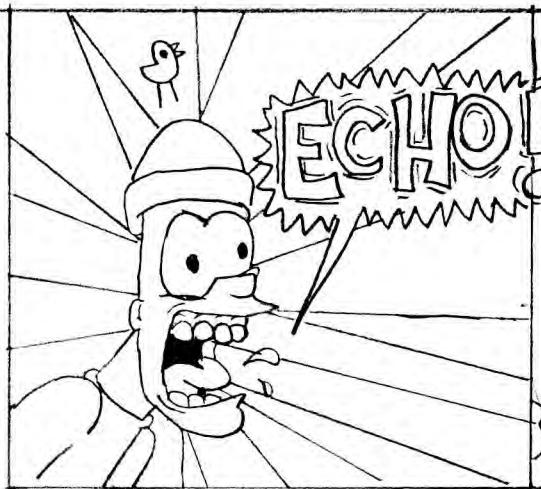

I'm sorry, but
a toll is a toll...
...and a roll is
a roll. And if
you don't pay
no tolls, then
we don't eat
no rolls...
'heh heh.' I made
that up!

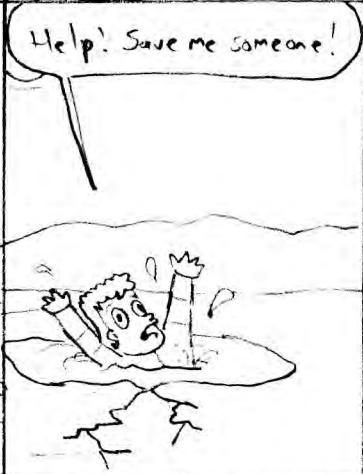

You didn't make that
up, you got it from
"Robin Hood, Men
in Tights"!

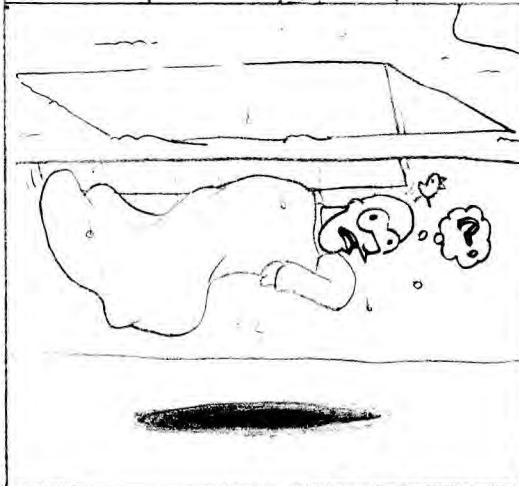

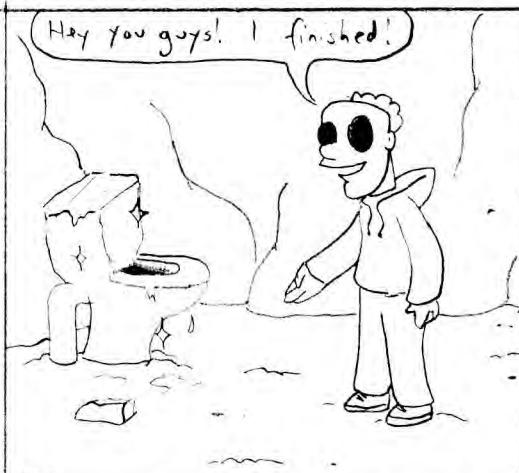

Who's ready for some skiing?

Hey! My voice echoes!

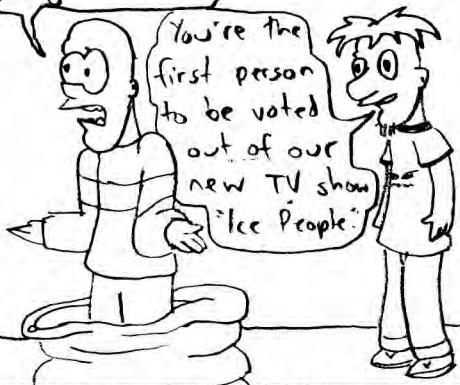

Can somebody explain what's going on here?

8 people, including you, stranded in an ice cave, shown live on TV and on the internet. Then the rest of Australia vote out their least favourite ice person. The best bit about the show is that you guys don't even know you are on TV, making the show a lot more interesting.

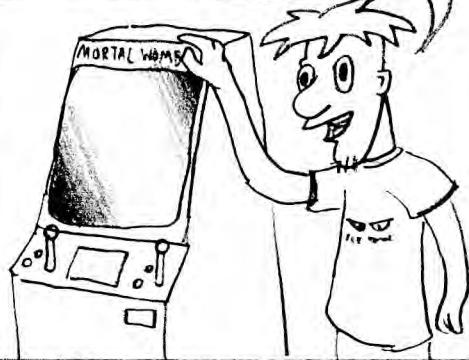

Hey, you can't do that! You're invading our privacy!

But everybody gets a prize!

Really?

What's my prize?

You get the brand new Mortal Wombat II arcade machine!

The next day... There's not enough room for it at my place so I thought maybe you could use it here.

Thanks Tobias, that's very generous. In fact, every time you want to play Mortal Wombat II, I'll give you 20% off the normal price.
